### Description

The D414-LED wall light is ideal for general illumination in vandal prone areas where safety and security are a concern, including parking garages, motels, schools and apartment complexes.

### Features

- Decorative one piece, injection-molded, UV stabilized polycarbonate front housing painted dark bronze with clear lense for vandal resistance and long life.
- D414-LED back plate is corrosion resistant and mounts easily to a 3.5" or 4" outlet box.
- Reflector is specular anodized aluminum and provides precise cutoff.
- .5" coin plug for conduit entry.
- UL 1598 listed for wet locations.
- Approx. Weight: 15 lbs.
- Standard color is bronze; also available in black and white. Contact factory for custom finishes.
- CRI: 80+, 10 Year Limited Warranty.
