cULus LISTED

Dimensions: 7.08", 9.25", 13.98", 16.54"

Description

The D443-LED trapezoidal sconce offers an excellent alternative to unsightly wall mounted fixtures. These architecturally refined luminaires are designed to integrate naturally to wall surfaces. Ideal for security, accent and perimeter lighting. Such as building facades, entry ways, garage doors, and tunnels.

Features

- Heavy duty two piece, die-cast aluminium powder coating construction.
- Heat and impact resistant tempered glass lens.
- One piece anodized aluminum designed reflector for best light efficiency.
- Fully gasketed lens assembly seals out external contaminants.
- Approx. Weight: 12lbs.
- Dark bronze powder coated finish for impact, corrosion and UV resistance.
- Integral cast-in aluminium hinges.
- Standard color is bronze; also available in black and white. Contact factory for custom finishes.
- cUL & UL 1598 listed for wet locations.
- Dark Sky compliant when ordered at 3000K.
