Trim Ring

Description

The D538-LED combines strength-gaining design with energy saving technology. Architecturally angled facets with smooth corners provide an even distribution of light ideal for parking garage applications.

Features

- UL 1598 listed for wet locations.
- Heavy duty die-cast aluminum housing with high-impact/heat resistant borosilicate glass for ultimate light distribution.
- Borosilicate glass is hinged and removable.
- Finish available in dark bronze or white.
- Powder coated finish on the heavy duty die-cast housing.
- Silicone rubber included to prevent any leakage from the outside.
- .5" tapped holes available for installing photocell.
- One piece anodized aluminum designed reflector for the best light efficiency.
- Approx. Weight: 18 lbs.
- Standard color is white; also available in black and bronze. Contact factory for custom finishes.
- CRI: 80+, 10 Year Limited Warranty.
