Description

Deco's bold Tron architectural bollard provides crisp, uniform light and eliminates shadows and scalloping in all pathway applications. For use in entryways, parks, schools, apartment complexes, municipal buildings, hospitals, shopping malls and all exterior commercial and residential buildings.

Features

- Provides 360° of low level lighting.
- Extruded aluminum housings with flush mounting base.
- Vandal resistant screws.
- Powdercoated finish.
- Clear polycarbonate lenses.
- Internal gear/ballast tray for easy maintenance.
- Standard color is bronze; also available in black and white.
- Contact factory for custom finishes.
- IP65 for wet locations.
