

First Alert®

ATOM™

SMOKE & FIRE ALARM

The First Alert Atom is protection at its finest. Its micro design adds an element of style to safety. This photoelectric alarm is a fraction of the size of a standard alarm and provides all the necessary protection to help keep your family and your home safe.

- Advanced Micro Technology
- Maximum Protection - Fewer False Alarms
- Long-Life Battery Included
- Easy Installation - Smart Product Clip System
- Loud and Powerful Penetrating Sound
