WLM Series Medium LED Wall Light

Manufactured with high density, 100% pure aluminum ingot resulting in greater durability and better thermal conductivity. These patented designs, with labor saving features, retain a familiar form with attractive architectural styling and external airflow fins.

Features & Specifications

Optical System

- Using the latest high brightness, high LED count technology, more usable light output is produced while eliminating glare.
- The fixture design directs more light down and forward without wasting lumens and offensive light.
- Available in 3000K, 4000K & 5000K color temperatures.
- Minimum CRI of 82

Electrical

- High-performance driver features over-voltage, under voltage, short-circuit and over temperature protection.
- 0-10 volt dimming (10% 100%) standard.
- Standard Universal Voltage (120-277 Vac) Input 50/60 Hz or optional High Voltage (347-480 Vac).
- L70 Calculated Life: >100k Hours
- Total harmonic distortion: <20%
- Power factor: >.85
- Input power stays constant over life.
- Driver Off-State Power is 0 watts.
- Components are fully encased in potting material for moisture resistance. Driver complies with FCC standards. Driver and key electronic components can easily be accessed.
- Minimum 4kV surge rating

Controls

- Optional 120V electronic button Photocontol.
- Apertures for field or factory installed photocontrol.

Construction

- Designed for commercial and industrial applications, providing cooler operating temperatures, brighter light and longer LED life.
- Manufactured w/ 100% pure aluminum and 0% remelt.
- Apertures for field or factory installed photocontrol.
- Patent pending thermal stacking technology system features a unique internal design that allows for lower operating temperatures which results in a brighter, whiter light, more stable color and longer LED and driver life.
- LSI LEDs provide higher lumen output, greater energy efficiency and more reliable fixture performance.

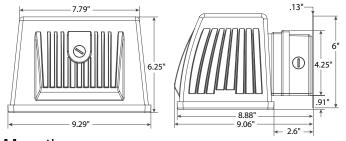

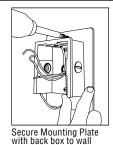

RRA

3000k must be selected to meet IDA criteria

Dimensions Design is Protected by US Patent D772,474

Mounting Protected by US Patent D752,274

Connect wires & return them to mounting box
